Dear Mrs Manley:

Received Your Letter with the remaining
of my Cut and the donation for the boys,. My Wife, Gladys,
and I thank you a million times. The "Little" Rascals are
now at home. They came home this week. They are doing fine.

I am sorry to hear that the All Stars aren't doing so
well but they will snap out of it. The pressure is on them
and when they fine out that they are just other games they
will do better. Hello to Mr Manley. I want to say that I
enjoyed playing with the team and hope to play next year
if I will be able too. Well I will close with lots of
luck for your teams in the future.

Sincerely yours,

Pat Patterson
